Our ideas

What jobs can children do in the school?

- Peer-mediators
- Lunch hall monitors (noise levels, cutting up food, helping children to the tables, pouring water, wiping tables)
- Litter pickers
- Helpers to fix things around the school
- Games leaders

Children will need to sign a contract and job description so they understand their role

- School council to encourage children to sign up for the jobs
- School council to draw up job descriptions and contracts
