Dear Parents,

## RE: Changes to the self-isolation period for those who test positive for COVID-19

From Monday 17th January, people who are self-isolating with COVID-19 now have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow test (LFT). Individuals have to test negative on both day 5 and day 6 and must ensure that they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be <u>reported to NHS Test and Trace</u>.

If the result of either of the tests is positive, they should continue to self-isolate until they get negative results from two LFTs on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest. Anyone who is unable to take LFT or anyone who continues to have a temperature will need to complete the full 10-day period of self-isolation..

Happy children learn, happy staff thrive, happy parents build a community

Anyone with symptoms <u>must</u> self-isolate immediately. The most common symptoms of coronavirus (COVID-19) are recent onset of:

- a new continuous cough
- a high temperature
- a loss of, or change in, your normal sense of taste or smell (anosmia)

Further information on self-isolation for those with COVID-19 is available

To help keep our school community safe and in line with government guidance, we are asking that all adults coming onto the school grounds wear a face mask.

Thank you for your continued support. If you have any questions, please come and talk to the Headteacher of your school.

Yours Sincerely,

James Roach – CEO, Inclusive Multi Academy Trust Gillian Jackson – Headteacher, Beechfield School Cheska Tyler – Headteacher, Cherry Tree School Sebastian Gray – Headteacher, Laurance Haines School
