WELCOME

I would like to take this opportunity to warmly welcome you to Beechfield School. Beechfield is a great school in the heart of the community.

We strongly believe in developing the whole child as well as focusing on academic attainment - our academic results are on our website.

Our staff provide opportunities for our children to find and develop their strengths and be able to excel. We want all of our children to feel a sense of belonging, be proud of our school and themselves and achieve well

We expect our children to adhere to our school rules: *be safe, be kind, work hard and love learning*. We teach the children to be resilient and persevere when things are more challenging. We want our children to leave us in Year 6 as confident, successful and responsible people who are well prepared for secondary school.

We are fully committed to working with you the parents and carers. We know that working together leads to better outcomes for our children. We welcome your support as visitors and volunteers and are very willing to listen to any ideas and suggestions you have. I am looking forward to getting to know you and your child/children.

OUR TRUST

I am delighted to welcome you to the Inclusive Multi Academy Trust. We are looking forward to working in partnership with you and welcoming your child to our family of schools. Together, we will work with you to nurture and develop your child's academic, creative, social and pastoral talents and skills, so that they develop as confident and inquisitive learners equipped for a full and happy life.

The Inclusive Multi Academy Trust was formed in November 2016 and is currently made up of three schools: Beechfield School, Cherry Tree Primary School and Laurance Haines School. Our trust name 'inclusive' originates from the driving belief that many different types of people form our community and every single one of them should be treated fairly and equally so that they and their families can access a great education.

As a family of schools, we work together with shared leadership, expertise, resources, and efficiencies and deliver an excellent education within a loving and nurturing environment. We see ourselves as a central community hub and strive to provide equal access to education, opportunities, resources, and support for all.

OUR CURRICULUM

We want our children to be confident and successful readers, writers and mathematicians. We give the children opportunities to apply their skills across our curriculum.

Our nurturing ethos underpins our curriculum. We understand the importance of focusing on the children's social and emotional development as well as their academic achievement. We believe that physical and mental wellbeing is imperative for success. We teach our children to be kind to themselves and others, to be resilient, tolerant, and compassionate.

Beechfield's curriculum provides opportunities for children to identify their strengths and develops their confidence by enabling them to experience success.

We focus on developing and mastering the 'basics' through a highly structured approach to teaching reading, writing and maths. Children are taught using concrete examples that are transferred into their mathematical and literacy work.

Our curriculum provides a range of learning and enrichment experiences that give our pupils opportunities and experiences they may not otherwise have.

"Responsible, confident, successful"

EARLY YEARS FOUNDATION

At Beechfield we ensure the children's learning is purposeful, and engaging.

In our Early Years, there are plenty of opportunities for independent, group and whole class learning during the day which are based both in the classroom and outdoors.

Throughout the year we cover a range of exciting topics such as space, dinosaurs, and fairytales. Our curriculum ensures children become independent and inquisitive young learners and flourish as they take a journey through their education.

We treat every child as an individual and we look forward to welcoming you and your family to our school.

"I am really proud and happy with all of the teachers; they are all absolutely fantastic."

CLUBS

We offer a variety of before and after school clubs at Beechfield School. They are run by our sports coach for a small fee. Please have a look at our website for a list of the current clubs.

COMMUNICATION

We have an open-door policy at Beechfield. You are welcome to talk to the teacher at the end of the school day. If it requires more time than a quick chat, you are able to make an appointment through the school office. You are also able to email your child's teacher and talk to them after school on the phone.

HOME LEARNING

Our home learning consists of weekly learning tasks that take the form of preview work. The idea behind this is that by becoming familiar with, and talking about and practising things at home, a child will have a far higher rate of success when they come to visit a subject or task in class. Research shows that previewing work can double the rate of pupil progress.

There is a weekly letter that details what will be taught in class the following week. This can be found on the school website under the pupils' section. It offers suggestions and guidance on the things that parents can do together with their child at home.

We expect the children to read regularly (daily) at home supported by an adult. This could be an adult reading to the child, the child reading to the adult or a mixture of both. In addition to this we also want the children to practise their times tables and their spellings.

BEHAVIOUR

We want a strong partnership between the parents, school and the children to promote good behaviour and a positive culture for learning.

We want:

- to enhance self-esteem
- to promote a positive learning culture through good behaviour and enhance the educational outcomes for all our children.
- the children to leave our school understanding the impact their behaviour has on themselves and others
- our children to respect themselves, others, and their environment both in school and the wider community.

Staff are committed to challenging any behaviour that includes physical violence or abuse, threats, verbal abuse, theft, and damage to school property. This includes all forms of bullying or racism.

We have a clear behaviour ladder that sets out consequences for any poor behaviour.

Children are taught that they have choices and are responsible for these choices.

REWARD & RECOGNITION

We recognise that positive strategies encourage sensible choices and personal responsibility. They make children feel valued and appreciated.

We reward good behaviour through:

- Verbal praise, constructive feedback from adults and peers, promotion of a Growth Mind-set.
- Advertising the behaviours/learning attitudes we want to see.
- Written comments on the children's work, visits to the Headteacher and SLT.
- Special responsibilities, class jobs, House Captains, Peer Mediators and Prefects.
- Personalised whole class rewards system.
- Small rewards such as merits, stickers or house points for effort, helpfulness, achievement.
- House point competition
- Informing parents of achievements.
- Star of the Week, certificates, Headteacher Awards and 5 Keys to Wellbeing certificates.

PASTORAL SUPPORT

At Beechfield we care about the whole child, family and our community.

Our Pastoral Team is integral to our school. They work with children, staff and families to help them access all aspects of school life and support with social, emotional and academic wellbeing.

Our Pastoral team has relationships and access to a range of external agencies who can also support our children and families where needed.

If you need any help please feel free to contact our Pastoral Lead via email or the school office.

OUR ENVIRONMENT

We care about our environment and sustainability.

Our school has a sustainability group. This group of pupils meet and discuss actions to be achieved as part of their action plan. This is also linked into our school curriculum.

WE LOOK FORWARD TO WELCOMING YOU TO OUR SCHOOL
