## NEWSLETTER 18.09.26

Dear Parents and Carers,

It's been another busy week in school.

Y1 have had a great trip to the British Schools Museum today and Y4 have begun their violin and guitar lessons. Y6 are really enjoying starting their puppet creations.

Thank you to the parents who came along to our secondary transfer meeting on Wednesday. If you were unable to attend, the slides have been sent out to Y4 and Y5 parents.

There has been a great start to school attendance this year, please continue to ensure your children attend every day and arrive on time at 8.30am.

Have a great weekend. Mrs Jackson

## E-SAFETY

Welcome back to a new school year! As technology plays a growing role in our children's lives—from homework apps to games like Roblox and Minecraft—ensuring they stay safe online is a shared priority for school and home.

This term, we encourage all families to take three quick steps to refresh online safety habits:

- **Check Age Ratings:** Many popular platforms and games require users to be at least 13. Double-check age requirements and privacy settings on your child's devices.
- **Keep Devices Out of Bedrooms at Night:** Charging phones and tablets in a common living area helps children get a restful night's sleep.
- **Talk Openly:** Remind your child that if they ever see or experience something online that makes them feel uncomfortable, confused, or upset, they can always talk to a trusted adult.

For useful parent guides, setup instructions, and safety advice, visit the [National Online Safety](#) portal or check the e-safety resources on our school website.

## Y1 TRIP

Y1 have had a very enjoyable day at the British Schools Museum today.

## REMINDERS!

We do not hold lost property in school, so please ensure all children's clothing, particularly jumpers and coats, are named so they can be returned if mislaid.

For everyone's safety, please make sure that bikes, scooters, skateboards etc are not ridden in school grounds or on the paths leading out of the school.

Thank you.
