WELCOME

Dear Parents and Carers,

We have had a lovely assembly this morning celebrating all of the good work, kindness and positive behaviour we have seen in school this week. There were lots of certificates given out for: Star of the Week, kindness, 5 keys to well being, reading, handwriting and Maths. Well done to Year 6 where all of the children were awarded the sports award for excellent behaviour when playing tennis in the park and for working hard in the PE lesson. Mr Lambert was very impressed!

We had a great afternoon on Monday with the children watching the Jungle Book show in the hall. It was the first time we have all been together in one place for two years!

Have a relaxing and safe weekend.
Mrs Jackson

SAFEGUARDING

Be safe, be kind, work hard and love learning are our school rules.

We are continually teaching the children through our PSHE and computing lessons how to keep themselves safe on and offline. This week two of our Year 2 pupils, Josh and Lawrencina were able to speak very articulately to Mr Roach about this. He was very impressed so well done to them and Miss Fuller. Their tips for keeping safe online were: don't share your passwords and don't talk to strangers online.

CONSIDERATE PARKING

Please can we remind parents and carers to park considerately in the area when dropping off/collecting children from school. We have received several complaints from residents in Gisburne Way. The Council Parking Officers will be around on some days before and after school. Thank you.

- Palm class have been working hard on their non-chronological report hot task. I can't wait to read them all. Miss Deacy
- Our student teacher in Lemon class taught a brilliant lesson on smell. We learnt about the different parts of our noses and how our sense of smell can warn of us danger.
