## WELCOME

15th July 2022

Dear Parents and Carers,

It has been a hot week!

On Monday 18th July the children may wear their own clothes to school so they can keep cool. Please can the children wear tops that cover their shoulders and wear sensible footwear - not flip flops. Please put suntan lotion on them before they come to school and encourage your child to bring in a hat and a bottle of water that can be refilled during the day.

We are looking forward to having a day of celebrations on Monday. We are proud of our recent Ofsted report and very proud of our Key Stage 2 SATs results. We have done better in these SATs than we have ever done before and are particularly proud of the number of children achieving a greater depth standard which is above age related expectations. A huge thank you to the children, staff and parents for a joint effort in supporting our Year 6's learning.

We are looking forward to seeing as many parents as possible on Monday after school. You will be able to collect your children's reports from their current teacher and then go and say hello to their new teacher. We will also have some ideas for how you can support your child over the summer holidays. Chartwells, the school dinner company and the school uniform provider, Beat School Uniforms will be on site as well.

Have a good weekend, see you on Monday.  
Mrs Jackson
