

BEECHFIELD SCHOOL

NEWSLETTER 02.10.26

Dear Parents and Carers,

We are having a very positive start to the term. We are delighted to tell you that Beechfield has won two national awards for working positively with parents. As always, we know working with you leads to better outcomes in all areas for your children.

Our school advisor has been in school this week. She commented on the positive behaviour for learning, high expectations for all children and the standard of work and presentation in the children's books. Please continue to support your children by hearing them read daily and signing their reading records.

We are continuing to prioritise attendance. We understand that the children may be poorly at some points but we want every child in school every day where possible. Please have a look on Arbor at your child's attendance percentage. We are continuing to look at these daily and Mrs Fuller evaluates whole school attendance every Friday. If you need any support with improving your child's attendance or punctuality then please contact Mrs Carvalho.

Ms Haider had a baby girl last week, I am sure you will join me in congratulating her and wishing her all the best with her maternity leave. Ms Locke will be leaving today to start her maternity leave and we hope she gets some rest before her baby arrives!
Have a great weekend. Mrs Jackson and Mrs Fuller.

DATES FOR YOUR DIARY

12th November: Parents Evening 3.30pm - 6.30pm online

BEECHFIELD
SCHOOL

ST ALBANS CATHEDRAL

Year 4 had a wonderful time at St Albans Cathedral exploring what life was like in Roman times. The children became archaeologists during the blanket dig, looking carefully for clues about the past. They also took part in Roman role play, trying on costumes and handling a soldier's shield. Another highlight was following a Roman recipe and preparing the ingredients together. It was lovely to see the children so curious and involved throughout the day!

Y2'S INTERESTING VISITOR!

Y2 were visited by a super-villain Mega Hex as a hook to their Super hero unit in English!

ROTARY CLUB

The Rotary Club recently visited bringing an English Dictionary for every student in Y6. The children were very excited to receive this gift to use in school and at home.

JUMPERS!

Quite a lot of (unnamed) jumpers have been left in the gazebo. Please can these be collected before they are recycled.

SCOOTERS AND BIKES!

For everyone's safety, please make sure that bikes, scooters, skateboards etc are not ridden in school grounds or on the paths leading out of the school. Thank you.
