Herts WD24 5TY

Dear Gillian,

I am writing to congratulate you on your school's excellent progress scores in Reading, Writing and Maths at KS2 in the summer SATs.

Your school was one of only 15 with a progress score of +2 or more in all three curriculum areas in 2019. I fully recognise what an impressive achievement this is and the hard work and commitment required from all staff to secure this outcome.

Please pass on my congratulations to your staff and thank you for your leadership and determination.

With all best wishes,

Rachel Macfarlane  
Director of Education Services
