Be Kind, Work Hard, Love Learning

Dear Early Years parents/carers,

As we prepare for closure we have created home learning folders for your children during this time.

Nursery- We expect you to read with your child every day for 10 minutes and encourage them to talk about the story. We also expect at least 15 minutes of maths/phonics (RWI) activities. We have provided you with some ideas and tasks in your folder.

Reception- We expect you to read with your child every day for 10/15 minutes and encourage them to talk about the story and characters.

We also expect at least 15 minutes of maths and 15 minutes of literacy and 10 minutes of phonics/RWI. In your folder you will find the sound cards for set 2 sounds which we have been learning at school. Please revise these, you can read/write words and sentences

We will be asking for these home learning folders to be returned so please ensure these are kept safe and completed.

Please email us if you have any questions and you can upload any home learning onto Tapestry, we will be checking these daily.

The below website has unlimited ebooks for you to read at home.
