Afternoon:

Project based activity instructions:

All about plants! Have a look on Purple Mash for the activities – there is a different one each day. We will also upload them to the Facebook groups if you can't access Purple Mash at home. Use the internet to research if you are not sure but these are things we have covered this year in school ☺. There are key words to help you in each activity.

- Monday : Describe what happens when a plant grows
- Tuesday: Seed dispersal
- Wednesday: Food chains – can you create a glossary about food chains using the given vocabulary?
- Thursday: Can you identify different habitats in your area and record your findings?
- Friday: Write about the different life processes.

Don't forget to hand your work in so that Miss Mortlock and Mrs Ladak can see it! If you don't have access to a computer, you can complete it in your books and upload it on Facebook or Twitter ☺

If you haven't planted anything – see if you can find some seeds at home!</p> <p>Here is a video showing how you can grow your own fruit/vegetables and herbs from things you may have at home ☺ https://www.youtube.com/watch?v=ZJuXpiEjdcc</p>
<p>Ideas for Art</p> <p>Use this link to find out about the artist, Andy Warhol, and create Pop Art using the instructions to design your own soup and make a selfie artwork!</p> <p>https://www.tate.org.uk/kids/make/paint-draw/make-pop-art-warhol</p>	<p>PSHE</p> <p>https://www.youtube.com/watch?v=QHZbIHwAfIM</p> <p>What is a good mistake? Watch the video and create a comic strip that shows how some mistakes can be positive.</p>

Book Review

1. Create a story map to summarise the book you are reading so far!
2. Can you predict what is going to happen at the end of the book?
3. Can you find any similes/metaphors in your book?
