

YEAR 4 HOME LEARNING

Week Beginning: 5.10.20

MATHS

Next week, we will be focusing on mental subtraction.

We will be using 'partitioning' and 'make 10' to help us.

For example: $37 - 9$
 $37 - 7 = 30$
 $30 - 2 = 28$

For example: $40 - 17$
 $40 - 10 = 30$
 $30 - 7 = 23$

Please log on to Mathletics to complete the 'bump add and subtract' activity set. We will be able to see who has completed the Mathletics activity at home so it would be great if you could have a go!

READING

At home, can you find 5 new or exciting words in your reading book?

It could be your reading book from school or a book from home.

Can you find out what the words mean?

If you would like to, log on to Purple Mash to read Chapter 1 of 'James, King of England' and have a go at answering the 'Online Multiple Choice' quiz. They have both been set as a 2do.

Please remember to sign your child's reading diary every day.

TIMES TABLES

Next week, we will be looking at the 8 times table. Please log on to Times tables rock stars to look at your 8's for next week:

$0 \times 8 = 0$	$4 \times 8 = 32$	$8 \times 8 = 64$
$1 \times 8 = 8$	$5 \times 8 = 40$	$9 \times 8 = 72$
$2 \times 8 = 16$	$6 \times 8 = 48$	$10 \times 8 = 80$
$3 \times 8 = 24$	$7 \times 8 = 56$	$11 \times 8 = 88$
		$12 \times 8 = 96$

Remember to look at your division facts too.
If $2 \times 8 = 16$ then $16 \div 2 = 8$ and $16 \div 8 = 2$.
