YEAR 4 HOME LEARNING

Week Beginning: 19.10.20

MATHS

Next week, we will be focusing on multiplication and division facts, recognising products in multiplication tables as multiples of the corresponding number.

E.g. $3 \times 6 = 18$
$6 \times 3 = 18$
$18 \div 6 = 3$
$18 \div 3 = 6$
The third multiple of 6 is 18

Please log on to Mathletics to complete the 'groups of 6' activity set. We will be able to see who has completed the Mathletics activity at home so it would be great if you could have a go!

READING

At home, can you read the fact file we have sent home about Amphibians?

Can you find 5 new facts?

If you would like to, log on to Purple Mash to read Chapter 3 of 'James, King of England' and have a go at answering the 'Online Multiple Choice' quiz. They have both been set as a 2do.

Please remember to sign your child's reading diary every day.

TIMES TABLES

Next week, we will be looking at the 6 times tables.

Log on to TT Rock Stars at home!

$1 \times 6 = 6$
$2 \times 6 = 12$
$3 \times 6 = 18$
$4 \times 6 = 24$
$5 \times 6 = 30$
$6 \times 6 = 36$
$7 \times 6 = 42$
$8 \times 6 = 48$
$9 \times 6 = 54$
$10 \times 6 = 60$
$11 \times 6 = 66$
$12 \times 6 = 72$

Remember to look at your division facts too.
If $2 \times 6 = 12$ then $12 \div 6 = 2$
