IMPORTANT NOTICES

The children have settled incredibly well and we are all very proud of them. We hope you all have a restful and safe half term. We look forward to seeing you all again on Monday 1st November.

Tapestry

We welcome Parents/carers to upload pictures and videos to Tapestry. The children really enjoy sharing their home learning and experiences with their friends.

Please continue to encourage your child to take turns with you, such as rolling a ball and emphasising, 'My turn, your turn'. This has been a real focus in Nursery, to encourage our children to learn to take turns, and wait for their turn.

Thank you
Nursery Team

THEME OF THE WEEK

Diwali

The autumn term includes several celebrations that our children may celebrate with their families. We will learn about Diwali, which is the festival of lights. We invited some parents to share the celebration of Diwali. Next week the children will be creating mehndi patterns, making clay lanterns called Divas, sharing their experiences of parties/celebrations, and using 2D shapes to make rangoli patterns.
