Week Beginning
06.12.2021

IMPORTANT NOTICE

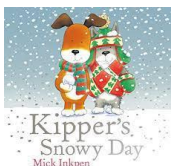

Please can we ask that you make sure that all your children's clothes have their names on, this makes it easier to find.

Children must have a waterproof coat with them every day as it is getting colder and we do go outside in all weathers.

We have noticed that some books are not being returned to school and have been lost. If you misplace a book, there is a cost of £1 to replace it.

A few parents have offered to donate their Christmas Play costume after our performances as they won't be needed again. If you are happy to do this, please do hand back your costume. We would greatly appreciate it.

THEME OF THE HALF TERM

We will be learning about celebrations.

MATHS FOCUS

This week in maths we will be looking at four sided shapes.

We will be looking at squares and rectangles and thinking about how we can describe them.

Here is a game about shape patterns:
