SONG OF THE WEEK

Five Little Easter eggs!

5,4,3,2, little Easter eggs,
Lovely colours wore;
Mother ate the blue one,
Then there were four, three, two, one.

1 little Easter egg,
See me run!!!
I ate the last one,
And then there was none.

THING TO DO AND SEE AT HOME AND ON THE WAY TO SCHOOL

- Encourage your child to use the language of quantity and problem solve using everyday objects, such as pencils, spoons, toys, fruit and Easter eggs!
- Place objects into two groups and ask children to count each group and say which group has 'more'. Go onto make both groups have the same amount.
- Talk to your child about healthy and unhealthy food.
