

Sports Premium 2023-2024

Since 2013 the government has provided additional funding each year to improve the provision of PE (Physical Education) and sport in primary schools. The funding is provided jointly by the Departments for Education, Health and Culture, Media and Sport. We have been allocated 19, 240.

2023-2024 Year Priorities

- Increase the number of girls attending after-school clubs
- Monitor the number PPG and SEND children accessing before-school and after-school clubs
- Participate in walk to school events.
- Year 5 to continue to swim all year as it has had good impact. Those in Year 6 who can't swim to have additional lessons in the summer term.
- Continue to run sensory workshops and use physical activity breaks to support with concentration and attention.
- Continue to respond to pupil voice to allow children to express interest in sports that they may not otherwise have access to
- PE lead to contact clubs and teams about after-school clubs and workshops.
- Build on skills and progression in our PE curriculum.
- Work with the Trust to create an annual list of competitive events that all children have the opportunity to participate in including a Trust Elite Sports Event that runs after sports days.
- Participate in National Schools Sports Week.
- Sports Coach to provide CPD for staff on the teaching of PE and the progression of skills throughout the curriculum.
- Use of the MUGA to create a better playtime environment.
- Continue to resource lunchtimes, break times and lessons.

2022-2023

How the funding has impacted positively on the teaching and learning of PE

- Long term plan and curriculum has been developed to allow for clear progression of knowledge and skills.
- Timetable for the daily mile and development of other movement breaks across the school in place.
- Staff are supported in their teaching of PE and their confidence has improved.
- After school clubs have been altered termly allowing children to participate in sports and activities outside of the curriculum.
- Floor-books are used to evidence and support children's learning.
- Sports Day was developed after feedback to pupil voice and staff feedback.
- Sports Coach has worked with SEND team to develop sensory workshops and allow 1:1s to become confident in running them.
- Sports coach has sign-posted out of school clubs and holiday camps which children at the school have attended.
- PPG and SEND children are attending before and after school clubs.
- Lunchtime provision is in place for each year group, with different activities for children to access.
- Development of KS2 playground with fixed climbing apparatus which the whole school can access.
- Planned intra and inter school competitions with the other schools in the Trust.
- Year 5 swam all year from September.
