Dear Parents/Carers,

I’ve seen lots of lovely art work this week in Year 5 and Year 6. The children have all been working hard. Miss Mortlock and Miss Wheeler were very pleased with the children’s work in Maths when they had a look around the school as well this week. Well done to our school football teams - one of the teams won against Orchard — great effort!

Please can I remind parents that no nut or coconut products are brought into school in children’s lunchboxes. We have a number of children in school with severe nut allergies, including allergies to coconuts and coconut oil. Thank you for your continued support with this.

I am not in school on Thursday and Friday next week, but please come and see Miss Mortlock and Mrs Carman if you need anything. Have a great weekend.

Mrs Jackson, Headteacher

KS2 Brain House competition!
Create your own version of the Brain House, for the chance to win an afternoon of art! The afternoon will consist of creating a standout piece of art based on mental health. Six winners will come together with Miss King to create the art piece, which will be displayed in the KS2 building for all to see. Music, a variety of art materials, snacks and drinks will provided to add to the enjoyment of the afternoon!
Entries need to be handed in to Miss King before half term and the winners will be announced when we arrive back after half term.
Children have been provided with copies of the Brain House powerpoint to help them with ideas for their creations. If your child has misplaced their copy, please ask their class teacher for another one.
I look forward to seeing the wonderful creations!
Good luck and have fun!
